Re: Jagdev and Kuldeep Singh v. Singh et al  
19 CV 6927

Dear Judge Cogan:

I am writing as the attorney for the plaintiffs in the above entitled action and with the consent of opposing counsel.

The parties are working to supplement their discovery responses and address any issues with same without seeking court intervention. The parties will then conduct depositions. We believe that extending discovery by about one month should be sufficient time to take all depositions.

We respectfully request that the time for the parties to complete discovery be extended to November 13, 2020 and that the time for the parties to file Premotion Conference Letters be extended until November 20, 2020.

This is the first Motion for an extension of time to complete discovery.

Respectfully submitted,

*Jonathan Silver*
